SECRET/CONTROL - U.S. OFFI	CIALS ONLY
-2-	

- 4. One hundred and fifty tanks of 3 Armored Division were transferred to Smvey (sic) from Shumen. The rest of the division went to Dobruzha (sic).
- 5. About the beginning of October 1951, a tank destroyer unit, which had 20 to 30 guns and Soviet mortars, 10 tanks, and an infantry unit of 2,500 men, arrived in Lom.
- 6. The 3 Antiaircraft Regiment, which had 6 large and 10 small antiaircraft guns moved in the direction of Tvatzak (sic).
- 7. The 2 Division is composed of 24 and 32 Regiments and an artillery unit.
- 8. On 13 September 1951 an infantry regiment, transported by vehicle, arrived at Aytos (N4242 E2715). On 20 September the regiment departed for an unknown destination.
- 9. On 15 August 1951, 12 Soviet tanks passed through Tutrakan. On 15 September the tanks were seen at Lom.
- 10. At midnight 17 September 1951, two railroad cars full of Soviet civilians and 18 empty railroad cars arrived at Ruse.
- 11. On 12 September 1951, 60 tanks, mostly of German manufacture, arrived in an area between Dobrudzha (sic) and Balchik.
- 12. At Dobrudzha an airfield three kilometers long and three kilometers wide with 18 runways was being constructed. Instead of hangars, an underground area with an entraceloo meters wide was being constructed. Approximately 1,600 trudovaks of 4 Oblast were employed on the project. The commanding officer of the trudovaks was Major Solev; the political commissar was Lieutenant Ljubomir Vosmov.
- 13. In Dobrudzha there was a commission of 17 Soviet officers (1 colonel, six majors, and ten captains) who supervised the exchange of supplies between Bulgaria and the Soviet Union.
- 14. About 35 percent of the trudovaks of the class of 1928 were recently transferred to infantry units.
- 15. The 2 Trudovak Brigade had its headquarters in Pleven. The following were members of its staff:
 - a. Commander: Major Khristo Kupnev;

50X1-HUM

- Deputy Commander: Major Cyril Todorov;
- c. Political Commissar: Major Andreiv
- d. Chief of Bureau B: Major Raev
- e. Aide-de-camp: Lieutenant Ktortsio Stanoev
- f. Supply Officer: Lieutenant Penchev;
